Cindy Argento, REALTOR® • 530-271-3858 • cindy@papola.com BRE# 01747092 • I'm very excited that I am working with Kathy Papola, at Network Real Estate. Grass Valley has been my home since 1979, which gives me knowledge of the many different areas of Nevada County, all of our schools, local businesses, and people who reside here. In 2002 I pursued my interest in real estate and obtained my license in 2006. It's very rewarding to find the perfect home, vacation get away, or investment property for my clients. Why Network Real Estate? Network Real Estate is a company of honesty, integrity and stability providing service to buyers and sellers for over 30 years. If you need help selling or buying a home consider doing business with someone you know and trust.
